Dear Brothers & Sisters,

Thanks for all you do to keep our Union strong!

Our Union and the Union Movement in the United States is under tireless attack from those who want to rob us of our right to have a Union, our right to fair wages and benefits, and our right to organize the unorganized. Of course, these attacks are, more often than not, attacks that come at us through the political arena.

I'd like to thank everyone who has updated their email address with the office. We are using email now to help members and their families get active on the important local and national political issues that face the Union and the middle class.

We need to stay strong and to fight back!! So please update your email with the office and do your part when we email to ask you to sign an online petition or call your representatives in government.

Thanks,

Mark Nelson
